

# SilkPeel™ Dermalinfusion™

## Brightening Formula

- NEW Hydroquinone-free formula
- Three natural brightening agents: Kojic Acid, Arbutin, and Mulberry provide substantial results for those with hyperpigmentation
- Helps to neutralize active melanocytes by inhibiting the catalytic properties of tyrosinase
- New calming ingredients, such as Aloe and Glycerin, reduce irritation and inflammation
- Can be used in conjunction with SilkPeel Hydrating and Clarifying Formulas

Age proof your skin with the new IndividualInfusion system!
